

2022-23 – MUN Course – 9th-12th Grade

Do you feel you have a lot to say but don't always know how?

Do you sometimes get heated up in a debate but would like to stay calm and win it?

Then, this might be the course you were looking for!

Model United Nations (MUN) course prepares you for the prestigious MUN experience. It provides you with a certain set of language and debating skills and opens the doors to take part in both our MUNOT conference and other conferences elsewhere.

The MUN course enables you to:

- form and express your point of view
- articulate your own opinions with the appropriate language
- practice in a safe environment
- gain research tools and insights about the world of international relations
- master diplomacy – learn debating and negotiating

If this sounds interesting to you, join our course and embark on an empowering journey.
